Faculty of Health and Behavioural Sciences

The Faculty of Health and Behavioural Sciences is a strong faculty that has a coherent focus on health and well-being underpinned by a clear integrative theme related to preventive health and behaviour change. Furthermore, the Faculty provides the opportunity for the allied health sciences to have a strong voice and great visibility within the University.

The Faculty includes:

- School of Dentistry
- School of Health and Rehabilitation Sciences
- School of Human Movement and Nutrition Sciences
- School of Nursing, Midwifery and Social Work
- School of Pharmacy
- School of Psychology
- National Centre for Youth Substance Use Research (NCYSUR)
- RECOVER Injury Research Centre
- Queensland Alliance for Environmental Health Sciences (QAEHS)
- Centre for the Business and Economics of Health
- POCHE Centre for Indigenous Health
- Southern Queensland Rural Health (SQRH)

More information about the Faculty is available at: habs.uq.edu.au

School of Psychology

The School of Psychology is one of the most prestigious schools of psychology in Australia, with a strong reputation built on excellence in both research and teaching. The School has thriving and dynamic research profiles in almost all areas of psychology and is able to attract visitors from overseas and other institutions in Australia. The School has collaborative relationships through cross-appointed staff with other schools in the University, thus creating opportunities for interdisciplinary research.

More information about the School is available at: psychology.uq.edu.au

Role of the Postdoctoral Research Fellow / Research Fellow

About this opportunity

This is an exciting opportunity for a **Postdoctoral Research Fellow** or **Research Fellow** with expertise in Social and Organisational Psychology, especially with an emphasis on the social identity approach or a related field, to join the recently established Training Centre for Behavioural Insights for Technology Adoption (BITA).

The BITA Training Centre is an Australian Research Council (ARC) Industrial Transformation Training Centre led by Queensland University of Technology in partnership with The University of Queensland, University of Western Australia, and industry organisations. It aims to build transformative capability in people, data, and solutions to support Australian organisations to achieve higher returns on technology investment.

In this role, you will support research which focuses on understanding and overcoming the behavioural barriers that impede the widespread adoption and diffusion of innovative technologies. Your research will address the challenges at each stage of the innovation process – conception and design, market translation, and evaluation.

This position will be based within the School of Psychology at The University of Queensland (UQ) under the supervision of Professor Alex Haslam (Centre Deputy Director). The appointee will also work closely with other BITA researchers based at UQ, most notably Professor Jolanda Jetten, but also Associate Professor Nik Steffens, Professor Barbara Masser, Professor Blake McKimmie, and Associate Professor Martin Edwards, and with partners at collaborating industry organisations.

This opportunity is being offered at Academic Level A or B commensurate with the successful candidate's skills and experience.

Duties

Postdoctoral Research Fellow (Level A)

Research

- Produce quality research outputs consistent with discipline norms by publishing or exhibiting in high quality outlets.
- Participate in applications for competitive research funding to support projects and activities.
- Work with colleagues in the development of joint research projects and applications for competitive research funding support.
- Contribute to progressing towards transfer of knowledge, technology and practices to research end users through translation, including commercialisation of UQ intellectual property.
- Develop a coherent research program and an emerging research profile.
- Review and draw upon best practice research methodologies.

Supervision and Researcher Development

- Contribute to the effective supervision of Honours and Higher Degree by Research students (as appropriate).
- Demonstrate personal effectiveness in supervision and the management of researcher development.
- Effectively lead and develop supervisee performance and conduct by providing feedback, coaching, and professional development.
- As appropriate, manage research support staff effectively throughout the employee lifecycle in accordance with University policy and procedures.
- Work to promptly resolve conflict and grievances when they arise in accordance with University policy and procedures.

Citizenship and Service

- Demonstrate citizenship behaviours that align to the UQ values.
- Show leadership of self through collaboration and active participation in priority activities for the unit
- Provide support to other academic positions and unit operations as needed during other team members absences.

- Collaborate in service activities external to the immediate organisation unit.
- Begin to develop external links and partnerships by cultivating relationships with industry, government departments, professional bodies and the wider community.

Research Fellow (Level B)

Research

- Develop an independent and/or team research program to achieve national recognition and impact in the research area.
- Produce quality research outputs consistent with discipline norms by publishing or exhibiting in national research journals, other appropriate refereed publications and conference publications, with a lead role in some outputs.
- Participate in or contribute as chief investigator (often in conjunction with more experienced researchers) in applications for competitive research funding to support projects and activities, which includes actively seeking, obtaining and managing research funding.
- Work with the BITA team and partners to develop and conduct joint research and applications for competitive research funding support.
- Contribute to progressing towards transfer of knowledge, technology and practices to research end users through translation.
- Review and draw upon best practice research and research translation methodologies.

Supervision and Researcher Development

- Demonstrate a track record of the effective supervision of Honours and Higher Degree by Research students.
- Demonstrate personal effectiveness in supervision and management and development of researcher capability and skill.
- Facilitate engagement opportunities for Higher Degree by Research supervisees.
- Effectively lead and develop supervisee performance and conduct by providing feedback, coaching, and opportunities for professional development.
- Manage staff effectively throughout the employee lifecycle in accordance with University policy and procedures.
- Work to promptly resolve conflict and grievances when they arise in accordance with University policy and procedures.

The University of Queensland

For more than a century, The University of Queensland (UQ) has created positive change for society by delivering knowledge leadership for a better world.

UQ ranks among the world's top universities, as measured by several key independent rankings, including the CWTS Leiden Ranking (35), U.S. News Best Global Universities Rankings (36), the Performance Ranking of Scientific Papers for World Universities (33), QS World University Rankings (43), Academic Ranking of World Universities (51), and Times Higher Education World University Rankings (70).

At UQ, we're changing the way higher education is imagined and experienced. Our students enjoy innovative and flexible learning options, diverse and dynamic partnership opportunities, and an integrated digital and campus learning environment.

More than 55,000 students – including the majority of Queensland's highest academic achievers as well as top interstate and overseas students – study across UQ's 4 beautiful campuses in South East Queensland at St Lucia, Herston and Gatton. They include around 20,000 postgraduate and approximately 21,000 international students who contribute to a diverse, supportive and inclusive campus community.

With a strong focus on teaching excellence, having won more national teaching awards than any other Australian university, UQ is committed to providing students with the best opportunities and practical experiences during their time with us, empowering them with transferable knowledge and skills that will prepare them to exceed expectations throughout their careers.

UQ's 325,000 graduates are an engaged network of global alumni spanning 184 countries, and include more than 17,000 PhDs.

UQ's 6 faculties, 8 globally recognised research institutes and more than 100 research centres attract an interdisciplinary community of 2,500 scientists, social scientists and engineers, who champion research excellence and continue UQ's tradition of research leadership. This is reflected in UQ being the number one recipient of Australian Research Council Fellowships and Awards nationally across all scheme years (452 awards worth \$339 million).

UQ has an outstanding track record in commercialising innovation, with major technologies employed across the globe and gross product sales of more than \$57 billion.

UQ is one of only 3 Australian members of the global Universitas 21; a founding member of the Group of Eight (Go8) universities; a member of Universities Australia; a member of the Association of Pacific Rim Universities (APRU); and one of only 3 Australian charter members of the prestigious edX consortium, the world's leading not-for-profit consortium of massive open online courses (MOOCs).

UQ employs more than 7,500 academic and professional staff (full-time equivalent) and has a \$1.877 billion annual operating budget.

Governance

The University of Queensland is governed by a 22-member Senate representing University and community interests. Senate is led by the Chancellor, elected by the Senate. The University of Queensland Act 1998 grants Senate wide powers to appoint staff, manage and control University affairs and property, and manage and control finances to promote the University's interests.

7. Drives accountability and results

Holds self and others accountable for delivering against objectives and is focused on creating long-term value for UQ.

About Brisbane

Brisbane is the sunny, sophisticated capital city of Queensland and gateway to many famous attractions. Australia's third largest city and fastest-growing capital with a population of more than 2.5 million, it offers a safe, friendly, multicultural environment characterised by the Brisbane River, parklands, convention facilities, museums, theatres, art galleries, a casino, malls, shopping districts, and a host of cosmopolitan restaurants and cafes.

Selected as host city for the 2032 Olympic and Paralympic Games, visitors can expect unbeatable sports experiences in 37 world-class venues, set against a backdrop of iconic beachfronts, breath-taking rural hinterland, and an exciting city rich in culture and entertainment.

Brisbane also offers a range of lifestyle benefits. Combine artistic and outdoor adventures at South Bank, where cultural institutions and restaurants meet riverside gardens and a lagoon. Take a paddle steamer or ferry down the Brisbane River, abseil Kangaroo Point cliffs, or bike ride through the City Botanic Gardens. Or enjoy a day trip to Moreton Island, Noosa, the Sunshine Coast or Gold Coast, or visit beautiful national parks, rainforests and tourist attractions such as Australia Zoo, Dreamworld and other theme parks.

The perfect place to raise a family, Brisbane has been dubbed a food and drink lover's paradise, and is also one of Australia's most liveable and affordable capital cities, with sunny days almost all year round and enough rainfall to keep the city and suburbs cool and green.

A few hours drive north from Brisbane is the Great Barrier Reef, one of the 'natural wonders of the world'. As the largest World Heritage Area, it stretches more than 2,000 kilometres alongside the coast, and is home to around 1,500 species of fish and 350 types of coral. Stradbroke and Fraser Islands are also world-famous attractions close to Brisbane, featuring some of the largest sand dunes in the world.

A leader in education

Brisbane has a wide range of high-quality schools at primary and secondary level, religious and non-denominational, single-sex and co-educational, with many offering excellence programs or other specialty features such as the International Baccalaureate. Brisbane also offers some of the greatest learning institutes in Australia, with 3 internationally recognised universities covering all areas of study from law and medicine through to business, marketing, tourism, IT and biotechnology. The University of Queensland (UQ) is one of Australia's leading research and teaching institutes, ranking among the world's top universities.

Lifestyle

In the heart of Brisbane city, Queen Street Mall is a vibrant shopping and lifestyle precinct and is Australia's most popular pedestrian mall. Brisbane is also the home for many of Queensland and Australia's major sporting events in rugby league, rugby union, AFL and cricket.

Brisbane residents have excellent access to health care in both public and private sectors, covering hospitals, general practitioners, dentists, and other allied healthcare professionals. The numerous public and private hospitals include the Princess Alexandra Hospital, the Mater Hospital network, the Queensland Children's Hospital, and the Royal Brisbane and Women's Hospital. Urgent and emergency medical care is readily available to everyone.
